Commissioners' Report

To the Citizens of Grafton County:—

We herewith submit our report of the affairs of the County for the year ending December 31st, 1908, together with the reports of the Sheriff, Solicitor, Clerk of the Court, Jailer, Treasurer and Auditors, and the Superintendent, Physician and Chaplain of the County Farm.

Although we have had some extraordinary expenses the past year we are able to show a gain in assets of \$841 84.

By order of the Supreme Court the County has been obliged to pay a part of the expense of building a steel bridge in the town of Bridgewater, between the towns of Plymouth and Ashland, and for this, including counsel fees, we paid the sum of \$1,411 77.

At the last meeting of the County Convention it was voted to expend the sum of \$300 in transcribing the old Grafton County records in the office of the Secretary of State at Concord. This has been done, but the work is not completed and another appropriation will be necessary to complete the work.

The cost of supporting paupers and Dependent Soldiers off the Farm has been more than last year, and the same is true at the Farm, owing largely to the higher prices of everything we have to buy.

The insane patients were transferred from the Farm to the New Hampshire State Hospital last spring, and the ward formerly occupied by them has been made into a hospital where the patients are under the care of a trained nurse.

The water system has been extended by taking water from springs nearly a mile from the reservoir, which in ordinary seasons will save the necessity of pumping.

We have a fine herd of high grade Holsteins consisting of one hundred and eight cows and heifers and twenty-four calves.

The taxpayers of Grafton County and others interested are invited to visit the institution where they will be cordially received by Mr. and Mrs. Phillips, the Superintendent and Matron.

Respectfully submitted,

GEO. H. TURNER,
HORACE F. HOYT,
CHARLES J. AYER,
COMMISSIONERS.

Total net cost of Supporting Paupers, at Farm for the
year ending December 31, 1908, \$12,424 27

In accordance with Chapter 30, Section 1, Public Statutes, the Superintendent of County Farm shall make up his report to January 1, annually and also Section 2 of said Chapter requires that the Superintendent's report shall contain in addition a list of Paupers actually supported at the farm and the number of weeks each was supported, also a statement of the average cost per week for each Pauper, with an explanation of the basis upon which said calculations were made.

The whole number of persons supported and partially supported for the year ending December 31, 1908, one hundred and eleven (111).

The number of weeks board is ascertained by taking the number of days, between the day of admittance and the day of departure of each individual and dividing that number by seven which gives the number of weeks each individual has been supported.

The whole cost of supporting paupers at the Farm for the year ending December 31, 1908 is \$12,424 27 and the sum divided by the whole number of weeks board furnished, viz., 5811, gives \$2.13 as the price per week.

Respectfully submitted,

H. C. PHILLIPS, Superintendent.

We the undersigned, hereby certify that we have examined the foregoing account of the Superintendent of the County Farm for the County of Grafton for the year ending December 31, 1908, and find the same to be properly vouched and correctly cast.

GEORGE H. TURNER,

HORACE F. HOYT,

CHARLES J. AYER.

Commissioners of Grafton County.

Chaplain's Report

To the Honorable Commissioners of Grafton County:

Your Chaplain would report that Services have been conducted at the County Farm each Alternate Sabbath, as formerly. These services have been quite well attended by the inmates and evidently appreciated by them.

The Chaplain has been assisted in these services by Miss Hazel Crook and Miss Flossie Blair, who have rendered highly appreciated assistance in the service of song.

We hope and believe that these ministrations have been a source of comfort and help to those who have attended them.

The inmates have been visited in their rooms whenever such service has been called for.

The number of funerals during the year has not been as great as in some other years.

Whole number of funerals attended	5
Whole number of other services	23
Total service held	28

Respectfully submitted,

C. E. EATON, Chaplain.

Physicians' Report

GENTLEMEN:—

I hereby submit my report of the Medical Department of Grafton County Farm.

Since my last report that portion of the buildings which was occupied by insane women, has been entirely remodeled and fitted up for a hospital. This fills a long felt want.

Hitherto the patients have been cared for in their rooms or dormitories surrounded by their fellow inmates and the accompanying noise and excitement. They depended for care upon the attendants. This was only a small and incidental part of the work required of them, therefore the care of the sick was left largely to the other inmates with results which were many times far from satisfactory.

Now the services of Miss Grace Colcy from Lebanon, N. H., a graduate nurse, have been secured and the patients are under her supervision and care.

The hospital is well furnished and fitted up with most of the essentials required. The patients have the quiet and retirement so important to produce the best results.

I see no reason why the more important operations in surgery may not be treated here with as good success as in any other Institution in the state.

There have been three births and twenty-two deaths during the year. Those who have died were mostly old and feeble people.

C. R. GIBSON, M. D.

The unusual number of cases remaining undisposed of on the criminal docket is due, either to continuances granted by the Court on motion of the defendants or by reason of the fact that there are civic suits pending between complaining witnesses and the parties indicted, which, under our practice, are ordinarily disposed of before criminal cases involving the same facts are pushed to trial. The cases on docket not included in the foregoing will probably be disposed of at the March term.

There are also pending, on the civil docket of the Southern Judicial District, two actions under the nuisance act, one against Dennis H. and Harry E. Sargent of West Lebanon and one against O. L. Rand of Canaan. Many cases for violation of the liquor laws have been prosecuted and convicted before Justice and Police Courts that are not included in the foregoing list. Circulars have been sent to Selectmen and police officers calling attention to the failure in many localities of enforcing the laws against the sale of tobacco to minors. Especial effort has made to secure an impartial and thorough enforcement of the laws relating to the licensing and collaring of dogs.

Efficient aid has been rendered when requested by the sheriffs and deputies. Prompt attention has been given to all complaints that have come to my attention, followed by prosecution where the facts have warranted. There are several Police Court appeals that are awaiting the action of the Supreme Court on questions of law.

I would recommend that the Legislature make provision for the payment of the actual personal expenses of the Solicitor in addition to the salary, when away from home in the performance of his duties.

Lebanon, N. H., Dec. 31, 1908.

County Solicitor.
